

Health Equity & Caregiving: Meeting the Needs of African American/Black Caregivers ECHO

Post Session Resources

This document compiles some of the key resources mentioned during **Session 4 of Health Equity & Caregiving: Meeting the Needs of African American/Black Caregivers ECHO**. To review all publications, articles, or commentaries mentioned, we recommend reviewing the presentation recording and PowerPoint presentation. All slides and recordings can be found [here](#).

Session Resources:

- ✓ **Case Study** – Please find the Case Study link on page 11 within the Welcome Guide. The case study form has guided questions to help the ECHO Office accurately capture relevant information for your presentation slide. Questions? Please feel free to email, echo@cancer.org and/or your ACS Representative. Welcome Guide [Link](#)
- ✓ **Post Session Survey**: If you missed the post session survey, please follow the link to complete at your earliest convenience. Your confidential feedback is essential for improvement and expansion of this important ECHO program. [Survey Link](#)
- ✓ **Session 6** – please follow the link to register for session 6, Practicing Cultural Humility While Providing Support to African American/Black Caregivers, Monday, November 6, 2023, starting at 11:30 AM CST/12:30 AM CST. [Link](#)

Highlights of Presentation Resources:

- ✓ American Cancer Society Caregivers and Family – [Link](#)
- ✓ American Cancer Society Cancer Statistics Center – [Link](#)
- ✓ American Cancer Society Cancer Prevention & Early Detection Facts & Figures – [Link](#)
- ✓ American Cancer Society Cancer Facts & Figures for African American/Black People – [Link](#)

Didactic Bibliography & Resource

Session 5 – Thursday, October 12, 2023

Didactic Presenter: [Cardinale Smith, MD, PhD](#) is a tenured professor in the Division of Hematology and Medical Oncology and the Brookdale Department of Geriatrics and Palliative Medicine at the Icahn School of Medicine at Mount Sinai. She is a medical oncologist and palliative care physician whose clinical practice is focused on lung cancer. Her research interests focus on doctor-patient communication, evaluating treatment disparities in cancer care, determinants of cancer patients' quality of care, characterizing barriers to optimal cancer and palliative care, and developing approaches to eliminating those barriers among racial and ethnic minorities.

Didactic Topic: Integrating the Family Voice in Palliative Care

Resources:

- ✓ Vitas Healthcare, "What Are the Differences and Commonalities Between Hospice and Palliative Care?": <https://www.vitas.com/hospice-and-palliative-care-basics/about-palliative-care/hospice-vs-palliative-care-whats-the-difference/>
- ✓ Center to Advance Palliative Care (CAPC): www.capc.org
- ✓ CAPC, "The Case for Palliative Care": <https://www.capc.org/the-case-for-palliative-care/>
- ✓ National Alliance for Caregiving: [Home | The National Alliance for Caregiving](#)
